## SERVING SOUTH SOUND SINCE 1925!

Photo courtesy: Brenden McCauley

Greetings! Well, September sure flew by. Turning the calendar to October means we are close to starting the remodel of the Lilly Rd Fast Fuel! As with any construction timeline, dates and times can be fluid. I encourage anyone who is interested in staying up to date, to follow us on social media – Facebook, Twitter, or Instagram. We will keep things updated and post pictures as the project comes along.

For those that didn't read last month's letter or who have not heard, we are doing a complete remodel of the Lilly Rd site, similar to what we did Downtown 3 years ago. All new pumps, we are adding Diesel Exhaust Fluid (DEF), adding Off Road Diesel, and we will have 3 grades of both

Non-Ethanol, and 10% Ethanol gasolines. So, follow us and stay up date with the progress of the project. The current estimated time to close the site is October. And it will be shut down for 2-3 months. So we apologize in advance for any inconvenience. But it will be worth it in the end! In the meantime, our Downtown site will be open, or there is another CFN on Fones Rd across from Home Depot.

Propane and Heating Oil customers....the weather is beginning to get chilly; if you are on auto refill, we will be coming around soon to top you off. If you are on will call, now is a good time to call for a top off. I will put in another plug for Auto Fill. There is NO extra cost to being on Auto

Fill, but you do get PRIORITY service. Remember last February? Snowpocalypse, Snowmageddon? Yeah, we made sure our Auto Fill customers were taken care of. We did our best to take care of will calls as well, but auto customers are priority #1!

Lastly, another plug for referrals....if you know someone who has propane and isn't currently one of our customers, encourage them to give us a call. Our prices are always competitive and our service is 2<sup>nd</sup> to NONE! Plus, you can earn account credit for sending us referrals!

That's it for this month....
